SYRAH
FINGER LAKES

Our Syrah is a rich, intensely flavored red wine with nuances of cherries, plums and black pepper. The grapes for this wine are grown in a vineyard on the East side of the lake in view of our winery. Norbud Farms has taken great care in thinning the grape clusters to allow the grapes to fully ripen. Visit Glenora Wine Cellars located on the western shores of picturesque Seneca Lake, in the New York State Finger Lakes wine region.
